**ARE YOU  
 THINKING OF  
 REINVENTING  
 YOURSELF?**

**Do you ask yourself  
 questions like:**

- ...Who am I?
- ...What do I care about?
- ...Where do I belong?
- ...What is my purpose in life?

Spend a day with *Elizabeth Craig* and answer these four questions, then move on to the "how". Sort out and clarify your life-direction, and gather the knowledge and tools to help you make conscious life choices and gain the confidence to move forward. Discover your purpose and how to take charge of your work-life. Find a career or position that fits you and/or embrace the job you already have.

**Leave this fast-paced,  
 interactive  
 workshop with:**

- ...The power of a personal purpose
- ...A sense of how to grow
- ...A clarification of your calling
- ...A new way to work that is consistent with your calling
